MITNESS SPIRITED AWAY.

Annett, who was staying pending the t lai of Delane with two other girls scheduled to appear against the accused man in a flat at No. 208 Fromman street, the Brong

Last night an auto containing two mer Catectives on the trail of two men man street epartments and the women man street apartments and the wornun who, he believes, are re- called the Annett girl to the door. After acible for the spiriting away of one a hist conversation between them the bis important witnesses against John Delane, swaiting trial on the charge rickling the Mann act against white programmer. The missing girl is Henrietta

Your child is now well into his school work - How is he doing? Have you thought to notice his eyes?

It is one of the most important duties of parents, unfortunately often neglected, to keep careful watch over the eyesight of

Notice your child to-day. See how he holds the book when he is reading. Is it too near his eyes? That, sometimes, may mean only carelessness, but it generally means that the eyes need

Has your child any tendency not to look squarely at an obect, does he squint, does he have any trouble recognizing people in the distance? In any of these cases he should have his eyes

Eyesight defects in children frequently can be entirely overcome with the use of glasses for school work only, but if not attended to promptly may become permanent.

A thorough examination by one of our Oculists (Registered Physicians) is exceedingly important. They never recommend classes unless they are absolutely required.

If your child already wears glasses you should watch his eyeht even more carefully; the eye changes as the child grows er and the lenses fitted him last year may not fit him now.

Harris Glasses-if needed-cost \$2,00 or more, depending entirely upon the particular kind of lenses required and the quality of frame or mounting you select.

LAUGHING FIREBUG. PRETTY ACTRESS, IS SENT TO BELLEVUE

Fire Marshal Tells Judge He Believes Mae Connelly Is Hopeless Pýromaniac.

vation by Magistrate March in the and escapes so easily.

Harlem Court to-day. John J. Print, whose observations of are many Germans and German sympretty and well dressed, was asked to sent out by German sympathisers.

Willis Cummings on the second floor. In the reception room two sofa cushions had been set affre.

Hardly had this incipient blaze been extinguished when smoke poured from the door of an unoccupied furnished apartment on the third floor. The manager and the halloy found a fire burning in the bedroom, with the strange girl standing over it, matches in hand, laughing gustily.

She continued to laugh in high glee even after she had been turned over Bribes. as No. 237 West One Hundred and Former Police Inspector and Cap-Eighth street, and said she expected tain James E. Hussey was dismissed be married soon.

Partial Confirmation of Staking of the Strathrey. NORPOLK, Va. Oct. 22.—The report that the British steamer Strathroy, which left here Aug. 15 with coal for Rio Janetro, was captured and

CAPTAIN TELLS WHY BRITISH SHIPS CANNOT

German Warship One of Fastest Vessels of Its Type Afloat, He Says.

Capt. Smith, of the British merchantman Indrakunia, in to-day from Man Connelly, the young actress the Far East, was able to throw some who gained from the police over light on the remarkable success of night the sobriquet of "the Laughing the German cruiser Finden in sinking Firebug" because of her insane gles English vessels in the Indian Ocean. over fires she had set in two different The British Admiralty admits the apartments at No. 3120 Broadway, Emden has sunk at least six British was committed to the psychopathic vessels recently, and has been unable ward at Hellevue Hospital for obser- to understand how it gets supplies

Capt. Smith says the Emden is get-The Magistrate took this action on ting its cost and provisions from the the recommendation of Fire Marshal British port of Singapore, where there the girl had led him to the conviction pathigers. When the Indrakuala was that she was a hopeless pyromantae at Hingapore, Capt, Smith says, the Miss Connelly, who is strikingly Emden was then coating from ships

from her depreciations yesterday, after apartment a month ago.

Yesterday she reappeared at her former home and told the hall boy she former home and told the hall boy she because they cannot be greated a north ago.

Sent out by German sympathizers.

The reason the cruleer has escaped, he declares, is that she is one of the speciest crulears affoat. Several times from her depreciations yesterday, after appeared in her limited to coaling from ships in the Indian Ocean, and while the coaling ships were captured, the former home and told the hall boy she because there is nothing in that part here agont the cruleer has escaped. Yesterday she reappeared at her former home and told the ball boy she was going upstairs to see a friend, naming one of the tenanta. The boy allowed her to pass and thought nothing more of the young woman's visit until he smelled amoke.

The Hritish freighter Hesperides, from Cuba and South American ports, was stopped outside of Ambross Channel early to-day in a fog by the British cruiser Lancaster, and a boarding tarty was sent over to make sure she was not a German vessel.

INSPECTOR HUSSEY AGAIN DISMISSED

from the Police Department to-day His dismissal was based on a trial held last month, in which he was accused of accepting bribes while inspector in charge of the West Harlem District, between Oct. 1, 1909, and

for Rio Janeiro, was captured and sunk by German warehips was strengthened to day. Capt W T. Davis of the sister ship Strathcarron reported upon arriving from Rio that nothing had been heard there of the Strathroy.

Commissioner Woods announced that Hussey had been found guilty on all cougts. Hussey with Inspectors Murtha. Sweeney and Thompson served a term on Blackwell's Island for conspiring to keep George A. Sipp out of the State. The Appellate División reversed the Hussey conviction and he was reinstated to police duty just long enough to be served with new charges and collect

to police duty just long enough to he served with new charges and collect \$4.846 back pay.

The charges upon which Hussey was dismissed to-day were that he solicited and took money from James Doughetry, who conducted a disorderly house, and from one Ashley Shea, who conducted a gambling house. Dougherty and a former policeman named Wren restified against Hussey but Shea refused to testify.

Hussey will appeal from the dismissal. He has been a policeman twenty-eight years and owns a fine ome in the Rockaways. Up to the stirred up a police scandal, Hussey bad never been in any serious trouble.

PINNED HELPLESS UNDER UPSET AUTO HOURS

Two Men Caught When Machine Crashed Through Fence In Making a Turn.

PATERSON, N. J., Oct. 22 .- J. L. Thornton, of Hidgewood, N. J., and Harold Cooper of Midland Park were travelling in an auto between Wychoff and Midland Park last night when, in trying to make a bad turn, the machine crashed through a fence,

the machine crashed through a fence, pinning both men underneath.

They were held prisoners for three hours. At 4.30 o'clock John Sylstra, a milkman, discovered the overturned auto and with the assistance of neighbors released the two men. Thornton, who had been driving the car, was taken to the General Hospital here. He has a fractured bip and shoulder and possible internal injuries. Cooper, who is only suffering from shock, was taken home.

FLAGG HIS OWN COUNSEL.

Cross-Ezaminos Form& Employee, a Witness Against Him.

Jared Flagg appeared as his own counsel this morning at his trial in the United States District Court before Judge Rudkin and the jury. Fings is secused of misuse of the mails in stock

deals.

The occasion for his appearance was the cross-szamination of L. E. Bathrick, an investor and former employee of Flagg when the latter had offices at No. 78 Fifth avenue. Bathrick had testified that one of his employer's methods of beating the market was to play a game of cards with himself and acting on the result.

of cards was all results. As counsel Flagg was quite declaratory its questione dithe witness vigorous and asserted repeatedly that the court jury and himself wanted only the truit. He dree from the witness that a profit of from 1,200 to \$1,400 resulted from one deal and that Bathrick signed an order to close and settle weekly, without regard to shrinkage of profits.

R. J. Collier Taxes to Country. Robert J. Collier, who for the last two months has been ill at his home. No. 752 Park avenue and for a time was in a critical condition, has so far recovered that last Monday he was removed to his country home. Rest illil. near Wickatunk, in Monmouth Country, H. J. He was accompanied by Mrs. Ceilier.
